

Lourdes
Medical
Supplies
Ltd

COMPANY PROFILE

Incorporated on 18th August, 2020 and is a premier solution provider for Medical Equipment and Supplies based in Uganda. Lourdes medical supplies limited in conjunction with the most reputable manufacturers and suppliers, imports and provides quality medical equipment at appreciable competitive prices to meet even the most specific of needs.

What the company does:

Lourdes medical supplies limited imports medical furniture and equipment such as marketing Diagnostic Equipment, Operating theatre Equipment, Cardiology Equipment, Physiotherapy equipment, Respiratory Equipment Surgical Instruments and Disposables equipment. Our product portfolio grew to include medical supplies and consumer healthcare products and supporting customers. We also sell to distributors and wholesalers.

Our local customers include all the major healthcare organizations in Uganda, pharmacies, public and private hospitals, NGO's, elderly homes and Orthopaedic Centres, specialists and opinion leaders in their fields, and patients. We strive for professional excellence and are committed to proficiency, reliability and flexibility in all aspects of our business.

We have an experienced sales team and a robust logistics network to ensure optimal marketing and distribution of our customers' products.

We always comply with local rules and regulations. Our experts in various areas (marketing, sales, and distribution, regulatory) and the company's unique structure has enabled it to always respond to partners' and customers' needs. Throughout the years we worked with our partners to increase their market share, improve products supplied and introduce new products that meet the needs of the Ugandan healthcare market.

MISSION STATEMENT

To provide appropriate, safe, quality and affordable equipment and related products to the medical sector through customer focus, suitable solutions and corporate social responsibility. The aim is to be the recognized market leader in provision of Medical Equipment and Laboratory Supplies, installation, user training and after Sales Services within the region.

VISION

To continuously provide better Medical Equipment, Laboratory Supplies and after sales Services using the highest standards of excellence to consistently meet or exceed our client's expectations, ultimately positively contributing to the health sector.
